A GALA EVENT

Will be the Flag Presentation by
Jr. O. U. A. M.

TO WHEELING'S HIGH SCHOOL.

ON WASHINGTON'S BIRTHDAY.
CONGRESSMAN DOVENER, PER-
RY SHANOR AND REV. B. B.
EVANS, TO BE AMONG THE
SPEAKERS—VISITORS EXPECT-
ED FROM ALL NEARBY TOWNS.
HIGH SCHOOL BOYS TO TAKE
PART IN PARADE—LAST FLAG
PRESENTATION BY THE LOCAL
COUNCILS.

Two weeks from to-day, Washington's
birthday, the Wheeling councils of the
Jr. O. U. A. M., will present the high
school with an American flag, and the
incidental ceremonies will be of an
elaborate character. Preceding the pre-
sentation there will be a street parade,
and addresses on the occasion will be
made by Congressman Dovenor, Perry
Shanor, Jr., past national councillor of
the order, and Rev. B. B. Evans, of
First street M. E. church.

Greatest interest is manifested in the
event, which promises to eclipse all pre-
vious affairs of this character. By the
recent action of the board of education
in adopting the resolutions, presented by
the Wheeling councils, the board will
hereafter purchase and provide the
schools with flags, thus relieving the
Mechanics from the duties which they
have so proudly borne in the past. The
high schools presentation was arranged
for before the board's action, hence be-
fore the last school to be honored the
Juniors intend to make it a gala event.
The four Wheeling councils are
Wheeling, No. 1, Ritchie, No. 22; Lin-
coln, No. 2, and Logan, No. 35. A gen-
eral committee has sent out invitations
to all councils within a radius of 100
miles, to attend, and there will be special
rates on all railroads entering Wheel-
ing, for that day. With good weather,
it is expected there will be a large turn-
out in the street demonstration. Mr.
Harry Kurner has been selected as chief
marshal.

The parade will form at the Odd Fel-
lows' hall, in the afternoon at 1:30
o'clock. Wheeling City Band has been
engaged to furnish music, and the Opera
House band has also been engaged. The
line of march will be over the principal
streets to the high school. A notable
feature of the parade will be the specta-
cle of the high school boys, each carry-
ing a small American flag. This specta-
cle will no doubt arouse the patriotism
of the crowds on the streets. The flag
to be presented is 10x15 feet, a larger one
than customary.

The addresses of Congressman Doven-
er, Mr. Shanor and Rev. Mr. Evans will
be brilliant efforts, and certain to be de-

THE EMBEZZLEMENT CASE.

F. W. Reynolds Gets a Hearing To-Day.
An Array of Legal Talent Figures in a
Complicated Affair.

This morning at 10 o'clock, before
Squire Fitzpatrick, will occur the hear-
ing of F. W. Reynolds, ex-secretary of
the Guarantee Loan & Trust Company,
upon several charges of embezzlement,
preferred by the company. As stated
yesterday, the Guarantee people will
prosecute Reynolds vigorously, and fig-
uring for them to-day will be Attorneys
W. P. Hubbard, J. B. Somerville, S. G.
Smith and Prosecuting Attorney Meyer.
Mr. Bernie Handlan will defend Rey-
nolds.

The first charge placed against the
prisoner is of embezzling \$108, but fol-
lowing that several warrants were
sworn out for his detention of the com-
pany's documents, the bonds asked for
in all aggregating \$21,000, consequently
Reynolds was unable to secure bail.
Search warrants sent the officers to his
home on Twelfth street, and to the
Stamm, where his friend, Dr. Matthews,
of Washington, D. C., is staying, but no
trace of the company's notes and mort-
gages were found.

The trial will occasion considerable in-
terest. Some of the directors of the
company claim that Reynolds was acting for
a Washington concern, conspiring to
buy out the Guarantee, by forcing it to
terms through Reynolds holding on to
its property. The company's loss will
not be known definitely until it is learn-
ed if Reynolds, as alleged, disposed of
its negotiable papers. There are many
complications which will likely be de-
veloped when the cases come to trial.
The company, however, will sustain but
slight financial loss.

NEW WORKHOUSE.

The Agitation for Another Building
Springing Up.

The agitation for a new city prison is
springing up again, and when this
year's appropriations are being made
out, it is more than likely that the city
fathers will be asked to provide funds
for the erection of a building to replace
the unsightly affair over which Supt.
McGannon now wields the sceptre.

Speaking of the matter, a councilman
last night said last month's bills for the
city prison were the greatest in its his-
tory, and something would have to be
done soon to get out of the mire, the
appropriation of last year, having in ad-
dition, been supplemented by \$1,000.
Said he: "Council will again be asked
to build a new workhouse, or consider
Sheriff Richards' proposition to feed the
prisoners at the county jail. I under-
stand that Sheriff Richards will make
another proposition, and show that he
will feed the prisoners at less expense
than the maintenance of the workhouse
costs the city."

"Of course, with a new workhouse the
expense to the city would be consider-
able, and especially if more help was
required to manage the institution.
Something will have to be done to cut
down the present expenses of the city's
workhouse, for January's bills exceed-
ed any previous month's."

Last year council selected Franzheim,
Giesey & Paris' plans for a new work-
house, but the finance committee was
unable to provide funds, and the plans
were laid away. Now, that the matter
has revived, the coming few months
promise additional agitation for a new
workhouse, for none who see the pres-
ent condition of the jail expect it to sur-
vive many more winter winds.

COUNCIL TO-NIGHT.

Council meets this evening, but there
is nothing special promised. B. F. How-
land, the Philadelphia man, who is to
build the new crematory, arrived in the
city yesterday. The Fulton location for
the plant will hardly come up to-night,
as the committee to which it was re-
ferred has held no meeting since coun-
cil last met, and unless some develop-
ments soon follow, the plant bids fair
to stick to the Sixth ward.

AUDITED BILLS.

The council committee on fire depart-
ment met last night, and with its cus-
tomary business-like manner went over
every bill in detail. Bills ordered paid
amounted to \$322.29.

A SUDDEN DEATH.

Joseph Wolf Falls Dead in Martin's
Ferry of Heart Disease.

Joseph Wolf, who has been employed
at William Mann's foundry, in Mar-
tin's Ferry, for many years, dropped
dead in that city, on Second street,
about 7 o'clock last evening. He
boarded at the residence of Capt. John
Hutchinson, on Clay street, and after
eating his supper last evening he was
walking up Second street, and while
passing the hill heard opposite the City
building he fell to the ground, falling
with his face downward.

Will A. Miller manager of the opera
house, was examining the bill board
at the time, and the first he knew of
Mr. Wolf falling was when he heard
him groaning, and he gave the alarm,
and Drs. A. W. Driven and J. M. Ho-
gan were summoned. Wolf was carried
to the city building by Alexander Linn,
Armstrong Neel and William Thomas,
and he was afterward conveyed to the
residence of his brother, Edward E.
Wolf, on Hickory street. He was dead
when the city building was reached,
and the physicians said that his death
had been caused by heart disease. It
is thought that he never entirely re-
covered from injuries received while
conspiring on Fayette street when a boy.
He had been under the treatment of a
physician lately, and had complained
consistently.

Mr. Wolf felt better yesterday morn-
ing, and went to work. His fellow
workmen noticed that he had an un-
natural look during the afternoon, and
a part of his work was done by other
men. He resided on Hickory street
until after the death of his moth-
er, Mrs. Eliza Jane Wolf, some years
ago. He has a brother and sister liv-
ing. Edward and Agnes. The former is
working in Indiana, Pa., and was not-
ified by telephone last night. His sister
resides on Glenn's Run. Mr. Wolf was
forty-five years old, and was a sober,
industrious, straightforward, honest
citizen, of a quiet disposition, and was
much liked by all who knew him. The
coroner was notified by Constable T. H.
Straton last night. The physicians say
an inquest is unnecessary.

SURE CURE FOR EPILEPSY.

Just Read What Dr. Greene's
Nervura Did in This Case.

Fits and St. Vitus' Dance Also
Yield to Its Magic Power.

It is the Only Sure Cure for These
Nervous Troubles.

Any physician will tell you that the
medicine which will cure Epilepsy,
Hysteria, Fits and St. Vitus' Dance and
nervous attacks, is truly a wonderful
remedy.

Dr. Greene's Nervura will cure them.
It is, at the present day, the only rec-
ognized remedy for these nervous com-
plaints, it is the only medicine which
will surely cure them.

Parents, therefore, whose children
manifest any symptoms of such im-
pending nervous disorders, like ner-
vousness, irritability, moodiness, irreg-
ular appetite, headaches, dizziness, dis-
turbed sleep, restlessness, loss of mem-
ory and interest in things, face pale,
feet cold, fidgeting with fingers, twitch-
ing of eyelids, face, limbs, shoulders, or
jerking of head, should at once give this
specific cure, Dr. Greene's Nervura.
It is perfectly harmless, being made
from pure vegetable remedies, wonder-
ful in their health restoring powers.
Remember that Dr. Greene's Nervura
will prevent, as well as cure, these dis-
eases. Therefore give it at once when
the first slight symptoms occur.

Mr. Herbert E. Harrington, Box 274,
Adams, Mass., says:

"Our little boy Royal had fits. He
would drop to the floor, sometimes for-
ward, sometimes backward, as if he
was dead, and if he was eating, his head
would drop on to his plate, so we had
to hold up his head all the time he was
eating. If he went across the floor some-
one had to lead him, and the slime
would run from his mouth. His stom-
ach was so weak that his food would
not digest, and every muscle of his body
would twitch so it was impossible for
him to do anything."

"For two years we took him to our
local doctors and they could do nothing
to help him, and they advised us to take
him to a specialist. We did so and he
told us that he had epilepsy and was in-
curable. He lost his speech for six
weeks and continued having the fits so
he would have nine or ten in a night.
We saw Dr. Greene's Nervura blood and
nervine remedy advertised in the paper,
so got a bottle and gave it to Royal as
directed, and in three days the fits left
him and we have not seen any of them
since. Now he goes to school and seems
to be as healthy as anyone can be."

Dr. Greene, 35 West Fourteenth street,
New York City, can be consulted abso-
lutely free in regard to any case, per-
sonally or by letter.
